

City of Westminster Public Safety Center

One of many projects that ARC has completed for the City of Westminster, this Public Safety Center is now touted as one of the best in the United States because of its combination of outstanding functionality and pleasing aesthetics.

Unique Challenges

- Relocate 911 Call Center (24/7 Operational Required)
- Relocate Evidence and Maintain “Chain”.
- Complex Stakeholder Group
- Relocate two Separated Departments in One Building
- Post 9/11 Security Issues
